

## REMARKS

The preliminary amendments above have been made in order to simplify prosecution of the application and to place the claims in better form for examination in accordance with United States practice. As such, Claims 1-13, 34, 62-70, 79-80, and 101-112 remain. Please calculate Claim fees after entry of this amendment.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.
